Directions for product use:

Shake well before each use. Use DP (de-pee)<sup>®</sup> Stain & Odor Remover first as other cleaners may set stains making it more difficult to clean. Test on hidden area for color fastness before using. If color runs or fabric water spots, do not use. Always follow manufacturer's guidelines for item being cleaned. Safe for use on most water-safe surfaces. Always use full strength and as directed. For stains, lift up as much of the stain as possible by wiping and blotting. Saturate area with DP (de-pee)<sup>®</sup> Stain & Odor Remover and give it time to work. Leave treated area saturated and let air dry. Odors disappear as DP (de-pee)<sup>®</sup> Stain & Odor Remover dries.
